## **Marie Elizabeth Glodt**

JUL 11, 1959 - JUN 24, 2013

**M**arie Elizabeth Glodt, 53, of Kula, passed away at Hale Makua Kahului, after an unexpected illness.

A Celebration of Life will be held on July 26, 2013. Service location and times can be obtained by contacting Kathy Sprout via her email at [KGlodtSprout@gmail.com](mailto:KGlodtSprout@gmail.com).

Ms. Glodt was born on July 11, 1959 in San Bernardino, CA. and lived in Maui for the past 30 years.

As a very driven, savvy business woman, her love of travel developed into her own travel agency, specializing in destination weddings.

She was predeceased by her mother, Dorothy Glodt and survived by her father, Richard G. Glodt; sisters, Donna (Don) Adams, Kathy (Matt) Sprout; brothers, Douglas (Fran) Glodt, Russell (Judy) Glodt, John (Celeste) Glodt; boyfriend, Eric Cremer; her cat, Roxy; and her loving nieces and nephews.

Along with Marie's love of travel, she was a fun loving lady, loved animals, and volunteered at Haiku Baldwin Center with animal therapy for assisted living patients. Marie was also a great gardener, loved orchids and had many great friends.

I just found this out now three years later. I'm so sad to hear about Marie's passing, see she helped me in 2005 plan my destination wedding in Maui. My husband just recently asked me for a copy of our marriage certificate so I did a search of Marie's name in my email to find details of the wedding. She was so helpful in coordinating not only the travel but also the ceremony and other details in regards to our wedding/honeymoon in Hawaii. My husband and I are from Los Angeles, Ca. and we had never been. She was amazing before the wedding, during the wedding, and even for years we kept in touch afterwards and we discussed planning another trip where we could take our children. May she rest in peace and know we are thankful to have known such a nice lady. God bless and Aloha!~Sabreen White

My deepest sympathies to Maries family. I have been so sad since hearing of Maries passing. We have been good friends since we first arrived on Maui. We shared our Birthday month, we were 10 days apart and have never forgoteen each other over the years...we both loved gardening and our animals...I will so miss hearing her voice and getting emails and updated pictures of all that's new in her life. We shared so much over the years...I will see you again my beautiful friend...I know you are at peace. I love you and will miss you so much...Aloha Darci

I think Marie was talking to me over my radio yesterday. Started the day off with "Stairway to Heaven" on my alarm clock and then a country music song on the way home from work about "being gone for a month, how are you getting along without me?". I'm sure it was written about a breakup of some sort, but sometimes the music just seems to relate to you directly.Sure do miss her.

I am heartbroken to have received the news today of Marie's passing. I will always remember her. Often in the past when she has popped into my thoughts I have chuckled under my breath remembering her sometimes crooked smile in the "Smile for the camera" shoots, a smile she got from her father, her often physical awkwardness that she worked so hard to overcome as a teenager and very young adult. I will admire her for always trying to improve herself, her love for animals that was never ending as well as kindness and generosity towards others. I will be saddened in the thought that I will never have a chance to talk with her or see her again on this earth but will be happy in the hope that she is in a better place with no pain nor sorrow playing with Barney. You are missed Marie.

Marie and I met many years ago on a business trip - both of us had the same type of business, just based on different islands, so we had lots in common. Over the years we shared a few trips here in the islands, and relied on each other for support and advice. Marie was not only a smart business woman, she was also a fun-loving, intelligent and compassionate woman. We helped each other as we could and had a lot of great laughs together too. She is sorely missed and will forever be in my heart. My deepest sympathies to all who feel the pain of her loss. I'm sorry I won't be able to attend this Friday but will go to the ocean and have a toast to her and bid her my fondest aloha.Paula Simpson Takamori
