Although we only knew George a few years, he sure leaves us with happy memories. It was always a bright spot in the day to run into George and Lilo walking on the beach. Watching George with Connie and the girls was an inspiration-truly a great husband and father; I know he will always live on in their hearts. We'll miss you George. Susan and Bill

We were so lucky to have known George for the past 8 years. He had a big heart and treated us like family from the very beginning. He was also an extremely funny guy who always made you laugh. George was an amazing sports fan in all sports but especially when it came to the DUCKS. Love, Joanne and Bob

My brother George was a truly great man. Although he did very well in his career with UPS it is in his heart and soul that his greatness expressed itself. I can't imagine him ever hurting anyone's feelings. He was a rare combination of stunningly good looking with the ability to reduce you to tears laughing just by slightly changing the expression on his face or uttering one word usually with a question mark at the end of it. His last words to me on this planet were "Wouldn't mom and dad be happy to see how close the four (brothers and sisters) of us have grown?" Those end days conversations were usually less than a minute. His last words to me were "I love you " to which I responded "I love you too, George." I love you George. Patty Pluchos Juravic
