Hi Erika, I am so glad to find you on facebook, because we are often thinking of you. Your mum Wilma was the sister in law of our uncle Erich und the sister of his wife Greta. We know you from your hostage in Germany during holidays in your childhood. In 2006 we didn't met us but we know that you had been in Frankfurt, too. The cousin of my mother Ursula was Renate. She and her husband Horst died, too. So did your wonderful dad this year. We are so sad about this news in the www. God bless him wherever he is. We are looking forward to get an answer from you to hear something about your family. Next year I will be 50 years old and then we like to travel to the USA. Maybe it will be possible to see you. Please, give us an short message. Best wishes from Doris (grand-daughter from Willi = brother of Erich and "Mariechen", my grandmum) and the whole family (my husband Andreas, my children: Kai (boy 21 years), Sandel Marie (girl 14 years) and Shalina (girl 12 years). Aloha!

Spenser was not only a swimming coach for our daughter Kara, but he was also a good friend, instilling values that would carry them throughout them into adult hood. You will be missed greatly. Aloha and mahalo from Pastor Roland, Thelma and Kara Nono.
