My deepest condolences to the Sharpe 'Ohana. Kenneth was one of my client's when I worked the Kupuna Care Program. He was always cheerful and full of interesting stories. My sincerest condolences to Ken's family and closest friends. I had the great pleasure of working with Ken many many years ago when I first arrived on Maui. We chatted and laughed and truly had a enjoyable time working together. Years could pass in between our seeing each other, yet I always felt the constant warmth of aloha just by seeing his handsome face. Ken's passing is a reminder to slow down and enjoy those around us who are truly deserving of our time. Ken was certainly deserving of that. W. ROSE.
