So sorry to hear about Robert but he is an angel now. One story about Robert I would like to share is I was stranded and on the side of the road in Duncanville going to my home in Garland and he gave me a ride. He was really nice. Thanks again Robert for getting me home safe.

Thank you, thank you for taking care of my brother. I know this is not the end, but only so long for a while till we meet again. May our Lord give you rest, peace and much joy as the days go by knowing you are loved by so many. Hope to see you soon. Love you JB and Jeani

Dear Karen: How very sad I was to read in this mornings Advertiser of Robert's passing. I send you my love and sympathy also to your family. How wonderful it was for Tom and me watching your love and courtship develop, just how much happiness you both brought to the Tavern you most likely don't know. Soon I will return to Maui and hope we can meet again, perhaps have lunch. Love and hugs, Cathy Rhodes (and son John), Kuliouou, O'ahu

Dear Karen, you have my blessing for being the sweet person that you are and it was the best day of Bobby "Robert" live when he meet you and you two got married. Bobby was my one and only nephew in all eight grandchildren. It has been a sad day because now bot of the boys of the eight are gone. Just remember you are still family and always will be. Love You Aunt Jean
