Dear Beppu Family, Fumi was such a fun and loving person who was always laughing and smiling. I am honored to have known such a remarkable person in my lifetime. She taught me how to live life and enjoy every day that you wake up to. She made me a ceramic turtle after she visited the Maui Ocean Center for 3 days in a row to study their physical attributes and manners. The details in her art shows the talent she had. The turtle sits proudly on display in my house. Jill, I am saddened that the turtle-bird you made me did not survive one of the tropical storms in Haiku, it was displayed among my favorite plants on the patio deck and decided to try and fly away. Kelan and I are retiring at the end of the year and moving to Washington State early next year. Please look us up and stay in touch. We would love to see you again. Dwayne has my number. We will miss Fumi very much but her spirit is always with us. Our condolences, Roxanne and Kelan Puaa
