I honestly believe that Robin loved her '72 GTO more than life itself. Some readers may remember cruising Broadway on Friday nights, and hearing "Rainbow" flirt with the boys on the CB radio. She cried in my arms for hours the day she sold that "Goat".

My first love... My Rainbow of life. Thinking of you today as I often do. Forever in my heart, the memories never fade. xo GF

Robin, my niece, was a beautiful person, inside and out. I remember when I first met her...she was a baby, and her mom really, really learned to love someone more than herself. Motherhood does that, and it's so wonderful. Renee, her sister, was born a year later. Those two girls were so close. My sister was so proud of those two and along came three brothers. Robin was outgoing, yet shy, and involved in a lot of things, including Girl Scouts. She was so creative, and the girls were always creating things together. Robin left our world way too young. She will be missed by so many, especially her family who loved her so. It was a very sad day when I received the phone call. She passed with love surrounding her. She's in a "better place", but that doesn't lessen the pain. She will forever be in my heart and thoughts. God Bless you, Robin.
