# James Herbert Hattaway Jr.

DEC 11, 1948 - JAN 10, 2017

James Herbert Hattaway Jr., D.C. went home to Our Heavenly Father peacefully under hospice care on January 10, 2017. Dr. Hattaway considered it a privilege and honor to be able to help as many people as possible achieve optimal health and wellness through chiropractic care.

Loving, humble, generous and compassionate, Dr Hattaway was born in North Carolina on December 11, 1948 to James H. and Catherine Coulter Hattaway. He is survived by his son, James Christopher Hattaway; brothers, Dr. Michael C. Hattaway, David A. Hattaway and William S. Hattaway; nephews, Patrick Coulter Hattaway and Coleman Hattaway; nieces, Catherine, Quinn, Hannah and Alex Hattaway; and his extended ohana and friends far and near.

As per his request, cremation and scattering of his ashes were performed. A celebration of his life will be held at a later date to be announced. Donations may be made in his memory to Hospice Maui, Island Hospice or to your favorite Catholic Church.

Miss Me But Let Me Go

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom-filled room.  
Why cry for a soul set free?

Miss me a little but not too long  
And not with your head bowed low.  
Remember the love that we once shared,  
Miss me but let me go.

For this is a journey that we all must take  
And each must go alone.

It's all a part of the Master's plan,  
a step on the road to home.

When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds.  
Miss me but let me go.

I know James lived a beautiful life in Hawaii and it makes my heart smile to read about his family love. I remember James from Portland, Oregon days in the 80's and his years at Western States Chiropractic College. A mutual friend called just last night to let me know of his passing in January. James was friendly, happy and kind. We met when I was working in a health food store and he was always helping others with nutrition and their health. His healing talents will be missed along with his vibrant smile. My condolences to his family and friends on your loss. May James find his peace in the hereafter.

Dr Hattaway treated me for years for free because I was a massage therapist in Hana. He knew I didn't have much money at the time. He said that health care givers needed to be honored for offering their services to the community. Richard Collins, Hana Maui
