We share our deepest sympathy of the passing of Mrs. Ushijima. The memory I had of her and will have with me is her sharing and polite ways every time I was at her residence. She was always inviting and made me feel wanted. Before I left her residence after visiting Gail Mrs. U. would always would say to come again. That really made an impression on me throughout the years she was living. Later on when I got married she was so nice to my wife as well. We will miss her too. Me ke aloha, pumehana, cisco & Jean
