Jerry Piller posted:

Sue, as she was called around the barber shop, was my long-time barber. I was still going to her when she retired and I still think of her every time I get a haircut. She was always asking about my "Japanese" wife - she thought because I traveled to Japan that my wife must have been Japanese. We always had good conversations as she shared the latest gossip of the happenings in and around Wailuku. She is missed. Jerry Piller
