Renee Coelho Woudenberg lit a candle in honor of Peter.

Peter you and Joyce who are my best brother and sister-in-law I always remember your smile always willing to help and your little laugh you are one that would bend over backwards to help me or Jimmy I still have the bracelet that you carved out of a very special wood I remember making Hawaiian medications for Jimmy when his sinuses are bothering him you gave me these jobs warned them that they would hurt but it never came back again I still miss you and Joyce I'll always remember you please tell Joyce and Grandma Lucy I think of him always they're very dear in my heart as well as you you have wonderful children and I think they will live a great life the way you have taught them between you and Joyce by example I wish I could be there but I'm in Arizona taking care of my dad is on hospice but you're in my mind and my heart thank you for the great memories I have of you and Joyce Aloha and rest in peace till we meet again
