Robert Edward Remington

NOV 7, 1951 - FEB 27, 2020

It is with great sadness that the family announces the passing of Robert Edward Remington on February 27, 2020 after a wonderful 68 years of life. He passed away peacefully in his Haiku home with loving family by his side.

A private funeral service for immediate family will be taking place on Oahu. Nakamura Mortuary will be assisting in arrangements.

Robert was born on November 7, 1951 in Portland, Oregon to Edward and Carolyn Remington. Robert is survived by his loving wife of 42 years Joni Remington, his daughter, Kristin Remington, sister, Sue Ann Remington, and nephew, Andrew Remington.

Robert moved to Maui with his family from Oahu in 1998.

Robert loved to work on cars and made his hobby his career fixing Volkswagens. He was a devoted auto master technician and had a love for his craft, taking time to help teach those around him about their cars. He even participated as a member of the SCCA. On his free time if he wasn't working on cars, you would see him at his happiest researching history, aviation, and how films were made. Robert had a love for Kailua and would find every reason to visit family and friends.

Robert there were times when i could barely scrape the money together to pay you for keeping my rabbits rolling both mine and Emily's. You always gave me such a great deal thank you! I remember when my rabbit died you and Stan helped me pull it back over the mountain and you had it running again the next day. I bought that car for two hundred and fifty bucks and despite my best efforts to destroy it you kept it rolling for four years. Thank you for your patience with me and your words of wisdom. When I cross over I'll look for you. Everywhere needs a master mechanic.

I hope Robert is truly able to rest in peace. He was a good friend and a skilled mechanic. I learned a lot of what I know in auto mechanics to him. He taught me the "tricks of the trade" and the little things to get my cars repaired. He will be missed. His quiet demeanor and driven determination were a true asset to the Maui SCCA organization. He and I were founding members of the club. I hope there are a lot of autocross courses in heaven and that you have fun driving a VW on them. My condolences to Joni and Kristin. If there is anything you need, please let me know. With sympathy, Adriel "Ed" Menor
