# Robert "Bobby" Endino Jr

AUG 10, 1957 - JUL 7, 2021

**R**obert "Bobby" Endino Jr, 63, of Kahului Maui, passed away on July 7, 2021 in Wailuku. He is survived by his mother Pasiencia Garcia; daughter Chasalynn Leinaala Endino; siblings Sandra Garcia, Sally Aipia, Kenneth Ebos, Donna Valdez, Theresa Valdez; grandchildren Kekoa Gonzales, Analu Deguzman; hanai siblings Sunee Lau-Ross, Terri Valle Quichocho, Greg Quichocho, Dora Caoile; Lifelong Companion Marian "Ipo" Ladera; hanai daughter Rainne Ladera and hanai grandchildren Shayla Ladera-Keen, Daniel Ladera-Keen, Hunter Ladera-Keen, Meloliha Ladera Basques. He also had many nieces and nephews that he adored.

Bobby was a fun person that could get along with anyone that he met along the way. He was always willing to lend a listening ear and crack jokes when he felt it was necessary. Although he could be a very grumpy man at times, he made sure to never show it, instead he showed his love and his smile.

For Bobby's last job, he worked as an aide/driver for Roberts Hawaii Student Transportation. He loved playing video games, volunteering for the Maui Special Olympics, and chaperoning to any athletic events that might've needed help. After having his first stroke, he learned that he wouldn't be able to go back to work, which is when he realized that his life will never be the same. He then grew a new love for singing (duet) karaoke with his mom and others. He was famous for not wanting to share the mic, lol. Some of his favorite songs to sing was "One in a Million", Snow of Mauna Kea and many more.

Celebration of life will be held on Saturday, September 18, 2021 at Kanaha Beach Park (1st entrance) in Kahului. Public visitation from 10:00am - 11:00am; Prayer service and memory sharing from 11:00am - 12:30pm; lunch to follow.

Due to COVID19 pandemic restriction, the family is requesting that masks be worn, and social distancing practiced.

Rest in love Bobby. In life we meet hundreds of people. But only a handful of these people will touch our hearts so deeply that they leave an everlasting mark. For us, you're one of the handful of these people who has touch our hearts so deeply. You were truly a warm loving, generous man with a heart of gold. You always put your family and everyone first before yourself. I admired you for how much you really loved your daughter, Chasalynn, and your nieces and nephews. If more men were like you, we'd have a better world. I will never forget all of the fun times we shared all of those years with you, your Mom, Dad, sisters and brother and of course our cousins. Like that time when your cousins iko and his sisters, Terri and Stephie, and their band called you, your sister, Sandra and your Mom up on stage so you guys could sing "Ikona" at our cousin Tony Vierra-Albao's 1st birthday luau in 1992 (literally chicken skin because all of you have beautiful voices). Ever since this day, every time I hear Ikona on the radio or someone singing Karaoke, I can see the three of you singing together. Just like every time I hear Sweet Lady of Waiahole and Mack the Knife on the radio (the songs you always sang when you, your cousin (my aunty) Jamie, my Uncle Gerard and I would go to sing Karaoke at my aunty and uncle's place, because they did the Karaoke at the Fish Market in Waimanalo), I think of you. Also, all those times in 1988 when you and your girlfriend, Ronda, your cousin Jamie, my Uncle Gerard and I would go to watch your cousins Iko, terri and Stephie and their band play at Paniolo's Restaurant in Kahalu'u on Sunday afternoons. They'd call you to come up to the stage to sing. Then, you'd call Ronda up to the stage to dance hula. It was so magical because of your beautiful voice and Ronda being an amazing hula dancer. From these times to you and I playing the brand new Sonic the Hedgehog video game on the Sega Genesis Console I gave to you for Christmas. You were so adamant about winning. Lol All of these fun times and the many times you would play pranks on me and then your brother would come over and it was a double tag team of pranks. I was so clueless I had no idea you guys were playing pranks on me until you guys would start laughing. lol. Thank you Bobby for sharing yourself, your beautiful voice and your smile with all of us. Our lives have been permanently changed forever. We will love and miss you forever.
