## **Eric Thomas Loughran**

APR 24, 1975 - JUL 14, 2023

**E**ric Thomas Loughran 48 years young, better known as "mouse" to his friends, passed away Friday, July 14th, 2023. Our family is in shock. Eric was a kind soul, caring of others, jack of all trades and an awesome painter. A true MacGyver of things and always repurposed items he found thrown away or discarded. He was loved by many and left us way too soon. He will be missed by the members of his family, father Thomas Loughran, mother Patricia "Trish" Loughran and brother Shawn Loughran, (known as Shawn Michael here on Maui), and his family and friends in California and Maui. Eric will be cremated with services to follow at a later date. His services will be posted on Eric's FB page and on his father's FB page as well. Aloha son, brother and friend, see you in heaven.

My condolences to the family of Eric Loughran. I did not know him personally, after viewing the show Dr. Pimple Popper, I learned that he passed a year after its airing. I just want his family to know that even though we didn't know him personally, he seemed to be a very gentle and beautiful spirit with a lot of love to offer. May God bless you and remember Eric is not gone, he lives in you forever. na ke akua e ho'opōmaika'i aku.

May he rest in peace in the presence of the Lord 📖. I personally didn't know him, but saw him in a show. It's very sad to know he's gone.
