My deepest sympathies and condolences to you all. I worked with your dad and had great love and respect for him. He was a very hard worker and was great at his job. But more importantly he was fun to be around. I really consider him a good person and friend. Take care all of you. If you need anything Julie let me know. Again my condolences,Craig Kawaguchi##imported-begin##Craig Kawaguchi##imported-end##

All my condolences to "Shige"s" family. I worked with him at Hawaiian Tel for several years and always felt so happy to know him and see his wonderful smile every day, and it was so fun to run into him at Superette or Foodland and talk story. He was a wonderful person that i was proud to know.##imported-begin##Debra Wylie##imported-end##

Alvin, and Glenn's family. Please accept my condolences. Haven't seen him since High School but always remembered him as a good friend. I used to go to Forty Niner's quite a bit when I was young and would talk to his Mom & Dad. It's all too often the case, we mean to get in touch with long lost friends, but never find the time. I was hoping to see that Glenn had signed up to celebrate next years reunion in Hawaii. I live in Las Vegas right now. Life is short enjoy with your friends and family! God Bless!##imported-begin##Patrick Bailon##imported-end##
